FERRET KINGDOM & FERRET KINGDOM JUNIOR CAGES DISCOUNT FOR AUSRFS MEMBERS

Ferret Kingdom cages made by PuppyPower are arguably the rat cages currently available.

PuppyPower sell via their website ferretkingdoms.com their eBay store puppypower.com.au and sometimes via Gumtree. *Please note: At the moment the Ferret Kingdom Junior cage is only available via their eBay and Gumtree Stores, it will be added to their website soon.*

PuppyPower generously offers Ferret Kingdom, and Ferret Kingdom Junior cages to AusRFS members at discounted prices:

- 15% off the current price (as listed on their website)
- 5% off the pre-order price (as listed on their website) *pre-order price is already 10% off the regular price.*

The procedure for the discount

AusRFS members who would like to order a FK or FKJ, should send an email to the AusRFS ausrfs@ausrfs.org.au advising which cage they would like to order, and include their full name, email address, phone number. The AusRFS checks membership, acknowledges receipt of the email, and forwards the message to PuppyPower, who contacts the member and deals with them directly.

The AusRFS only refers the member to Puppypower - the club does not have anything to do with the sale, and does not profit from the referral.

This discount is strictly for current AusRFS members, and only applies to purchases made using the above referral procedure.

For information on the Ferret Kingdom cages please go to the Puppy Power website, ebay store or their Facebook page [facebook.com/FerretKingdomCages](https://www.facebook.com/FerretKingdomCages)
